

# Beginning Orienteering Workshop

Turkey Creek Nature Preserve

Saturday, October 5, 2024

8:30 AM - 5 PM

- Learn what Orienteering 'is' and 'is not'.
- Learn how to use your compass.
- Do you know how to read a terrain map? You will after this class.
- Learn and practice techniques to help you make a route choice and stick to it.

Anne Mathews, in partnership with The Vulcan Orienteering Club, is offering a Beginning Orienteering Workshop at Turkey Creek Nature Preserve. It is open to anyone interested in roaming the woods.

- **Cost: \$60 - this includes a sandwich lunch and a compass**

All proceeds go towards trail maintenance and water testing at Turkey Creek Nature Preserve.

Class starts at 8:30 am and will include three hours of classroom training, 90 minutes of practice, and a two-hour competition.

**Use the QR code to register  
or go to**

<https://turkeycreeknps.com/events-calendar/>

Please provide the following information with the check: **Name, Age, Email, Phone Number, Any food allergies, If you've attended an orienteering meet before, If so, where?**

**Registration ends on Sunday, September 29th.**

*Orienteering is the sport of navigation, using a highly detailed map. Whether someone is an experienced hiker, competitive runner, or a family or group out for an activity in a park, this sport helps improve navigation skills each time.*

*Orienteering can gradually build map-reading skills from exploring a local city park full of obvious structures to navigating remote terrain with few, if any, man-made features.*
